## FROM THE Regional Office:

### RC:

I've got my travel shoes on! I'm heading out tomorrow to the growing and developing domain of Dallas Texas for our August Features Game of the Month!! WOOP! There's going to be Werewolf the Apocalypse, a brief regional meeting, a CHARITY AUCTION of amazing treats from our ARST staffs, and capping off the night with Vampire the Masquerade Cam/Anarch/IA! I do hope as many of you make your way up as possible. The plot teasers for both games have been exciting, and those auction items are super exciting!

To follow up the weekend of games on Dallas, Tulsa has a 5th Saturday of Werewolf the Apocalypse and Vampire the Masquerade Cam/Anarch/IA!! Details can be found here:

<https://www.facebook.com/groups/1716741971909181/>

Whew! August! What a month! Post MESCON has built up our games in most of the domains. Excitement is thriving. Let's USE this to our advantage! Get out into your local gaming and college communities and ADVERTISE YOUR LOCAL GAMES!!!! There's a simple flyer available for everyone's use on our regional website here:

<http://scr.mindseysociety.org/wp-content/uploads/2013/11/MES-Recruitment-Flyer.pdf>

Bids for 2019 events have begun coming in from locations across the region. Please see the NCA's announcement with the bid templates, and start reaching out to your local chamber of commerce for bids from local hotels and/or convention centers!

Active Regional Programs (read: ways to earn prestige)

Q3 Charities for 2017 are out! Don't let the opportunity pass you by. Here are the details:

Featured Game of the Month bids! Does my domain HAVE to host multiple venues for a FGoTM? No! Your domain can host as many or as few venues as your domain can comfortably support! My domain is small with a low budget. Can we partner with a neighboring domain to host a FGotM? YES! You can partner with a neighboring domain to host more venues that your domain may not have the support for. Here are the details:

[https://docs.google.com/document/d/1KHBKMSj18QHnIWiju-8eGTHd1NGyH0EC0G5gt7K\\_pg/edit?usp=sharing](https://docs.google.com/document/d/1KHBKMSj18QHnIWiju-8eGTHd1NGyH0EC0G5gt7K_pg/edit?usp=sharing)

The SC Region Social Initiative! We have continued this initiative going forward. Keep up the good work and maintain those social events outside of games. I cannot stress the importance of the program enough. We portray characters who are emphatically not ourselves. The health of a domain depends upon its members getting to know each other and growing a sense of community away from game time. REQUIRED: A Domain Coordinator or their designated representative must be present from beginning to end of any Social Event!

Here are the details:

Grow the Region of Love! We have renewed this program for Q3-4 2017. There are some slight updates to assist in ease of reporting.

*Note: the requirement for the recruit not to have previously held a membership or trial membership does not mean a brand new recruit with a trial membership in August cannot be part of this program. It means a*

*returning member from 2014 cannot be a part of this program. It means a 2015 trial member for 6 months who did not purchase at that time cannot be a part of this program. These are just examples, not an exhaustive list of circumstances. If you have questions about your specific situation, email the rc email and CC the ARC Admin email.*
